

It is the winter weather season again. We want to inform you of other weather related options Abingdon CUSD 217 may utilize. Thank you for your patience and assistance in this matter.

DELAYED START OF SCHOOL

	Regular Time	1 Hour Delayed Start	2 Hour Delayed Start
Hedding	8:00 AM	9:00 AM	10:05 AM
Hedding Breakfast	7:45-8:00 AM	8:45-9:00 AM	
Middle & High School	8 AM for MS - 8:05 for HS	9 AM for MS - 9:05 for HS	10 AM
MS & HS Breakfast	7:30-8 AM	8:30-9 AM	

If school has a one hour delayed start, bus route pick up times would be delayed 1 hour. For example, if the regular pick up time is 7:45 AM, then, the one-hour delayed time would be 8:45 AM. If there is a two hour delayed start, the bus pick up would also be two hours later than the regular bus time. Class times would be adjusted at each building.

SNOW ROUTES ONLY

Using snow routes only means buses will travel on main hard surfaced roads only. Buses will not travel on side or gravel roads. Students who reside on a side or gravel roads would need to meet the bus at the following hard surfaced roads at their regular bus time or delayed bus time. **In-town routes would be the same pick up points as a normal school day route.**
